Evening event *Entrepreneurship in Africa, here and there, and the metamorphosis of territories*

Beyond the bifurcations, the City of Saint-Etienne and 4 partner cities: **Monastir** (Tunisia), **Tamatave** (Madagascar), **Sierre** (Switzerland) and **Katowice** (Poland), have initiated a cooperation focused on entrepreneurial practices as a lever for development in the North Africa as well as in the South Africa and metamorphose the territories. This event invites high-level policy makers, inter-governmental organisations and entrepreneurs from Tunisia, Madagascar and France to share their experiences and analyses. It will end with an **African Music Concert** and a **fashion show** co-created by students from the Lycée Adrien Testud (Saint-Étienne), the École de Couture de Sierre, the Centre Sectoriel de Formation en Habillement de Monastir and the École de couture de Katowice on the theme of the 1920s.
