

What design can do

BEDA Forum, 30 May 2024

Ambra Trotto | ambra.trotto@eit-culture-creativity.eu

Hope

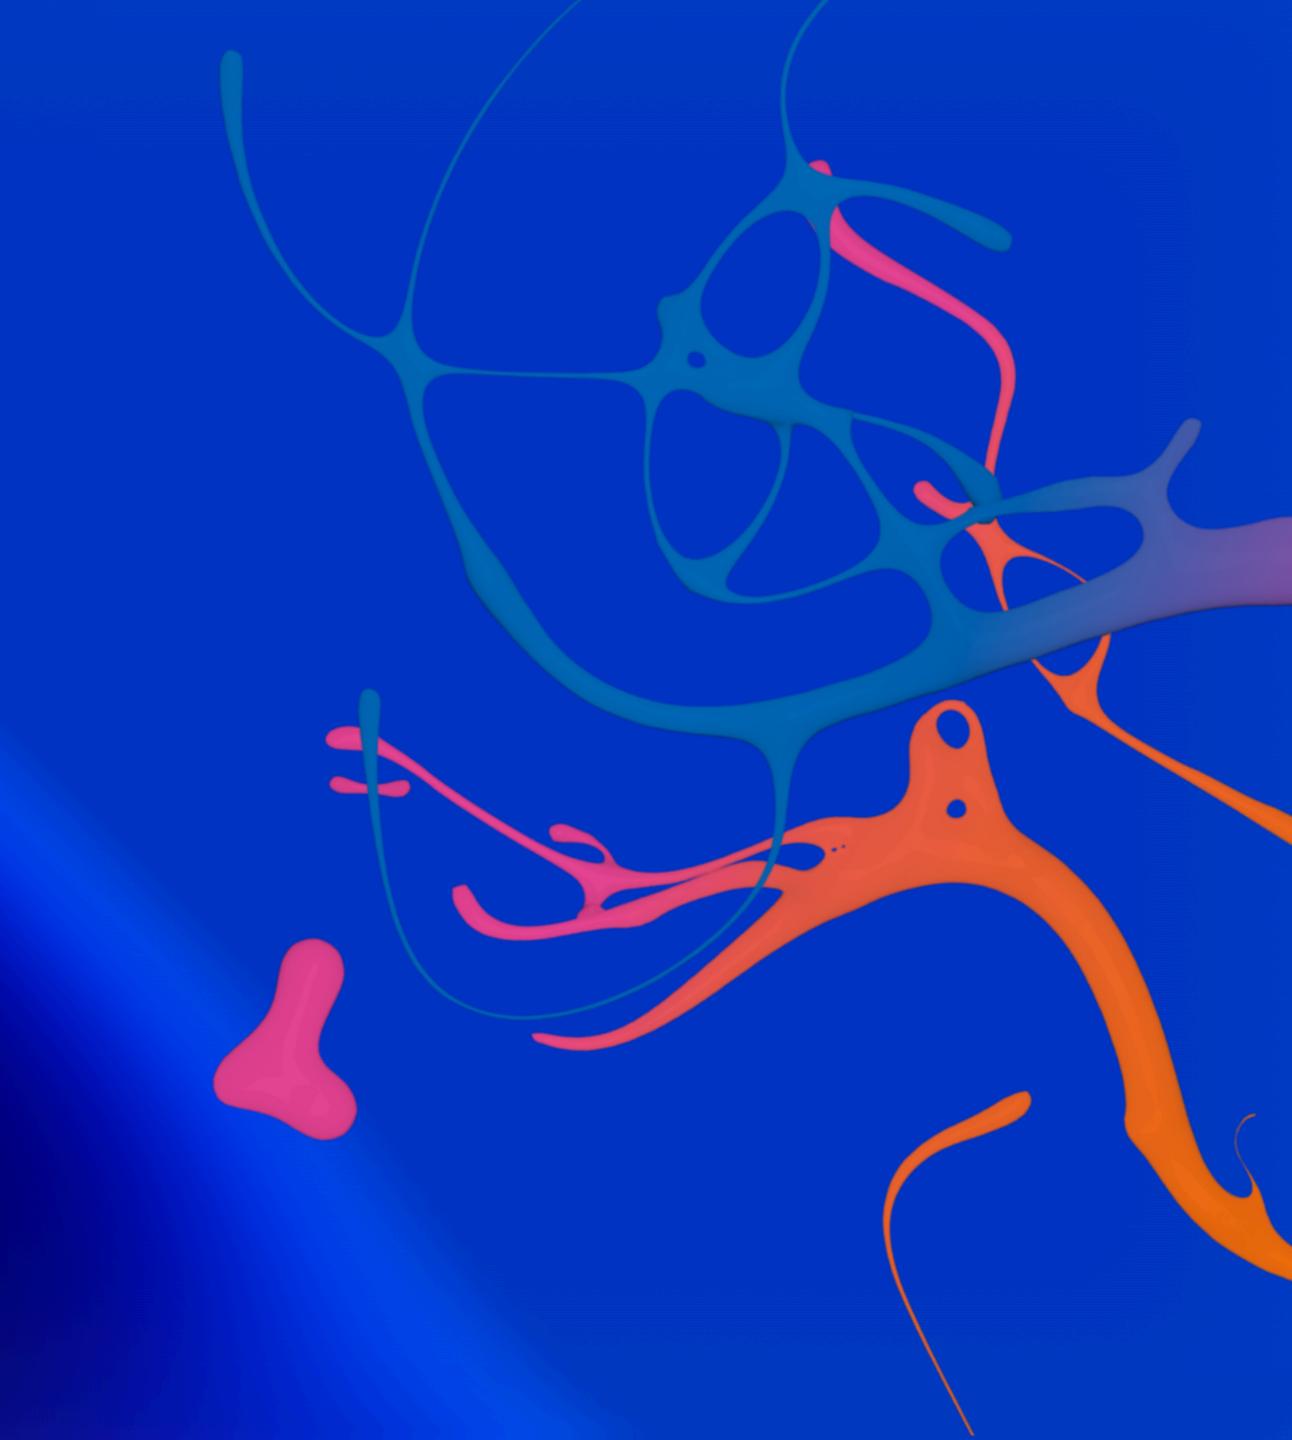

VI.

HOPE.

HOPE is the thing with feathers
That perches in the soul,
And sings the tune without the words,
And never stops at all,

And sweetest in the gale is heard;
And sore must be the storm
That could abash the little bird
That kept so many warm.

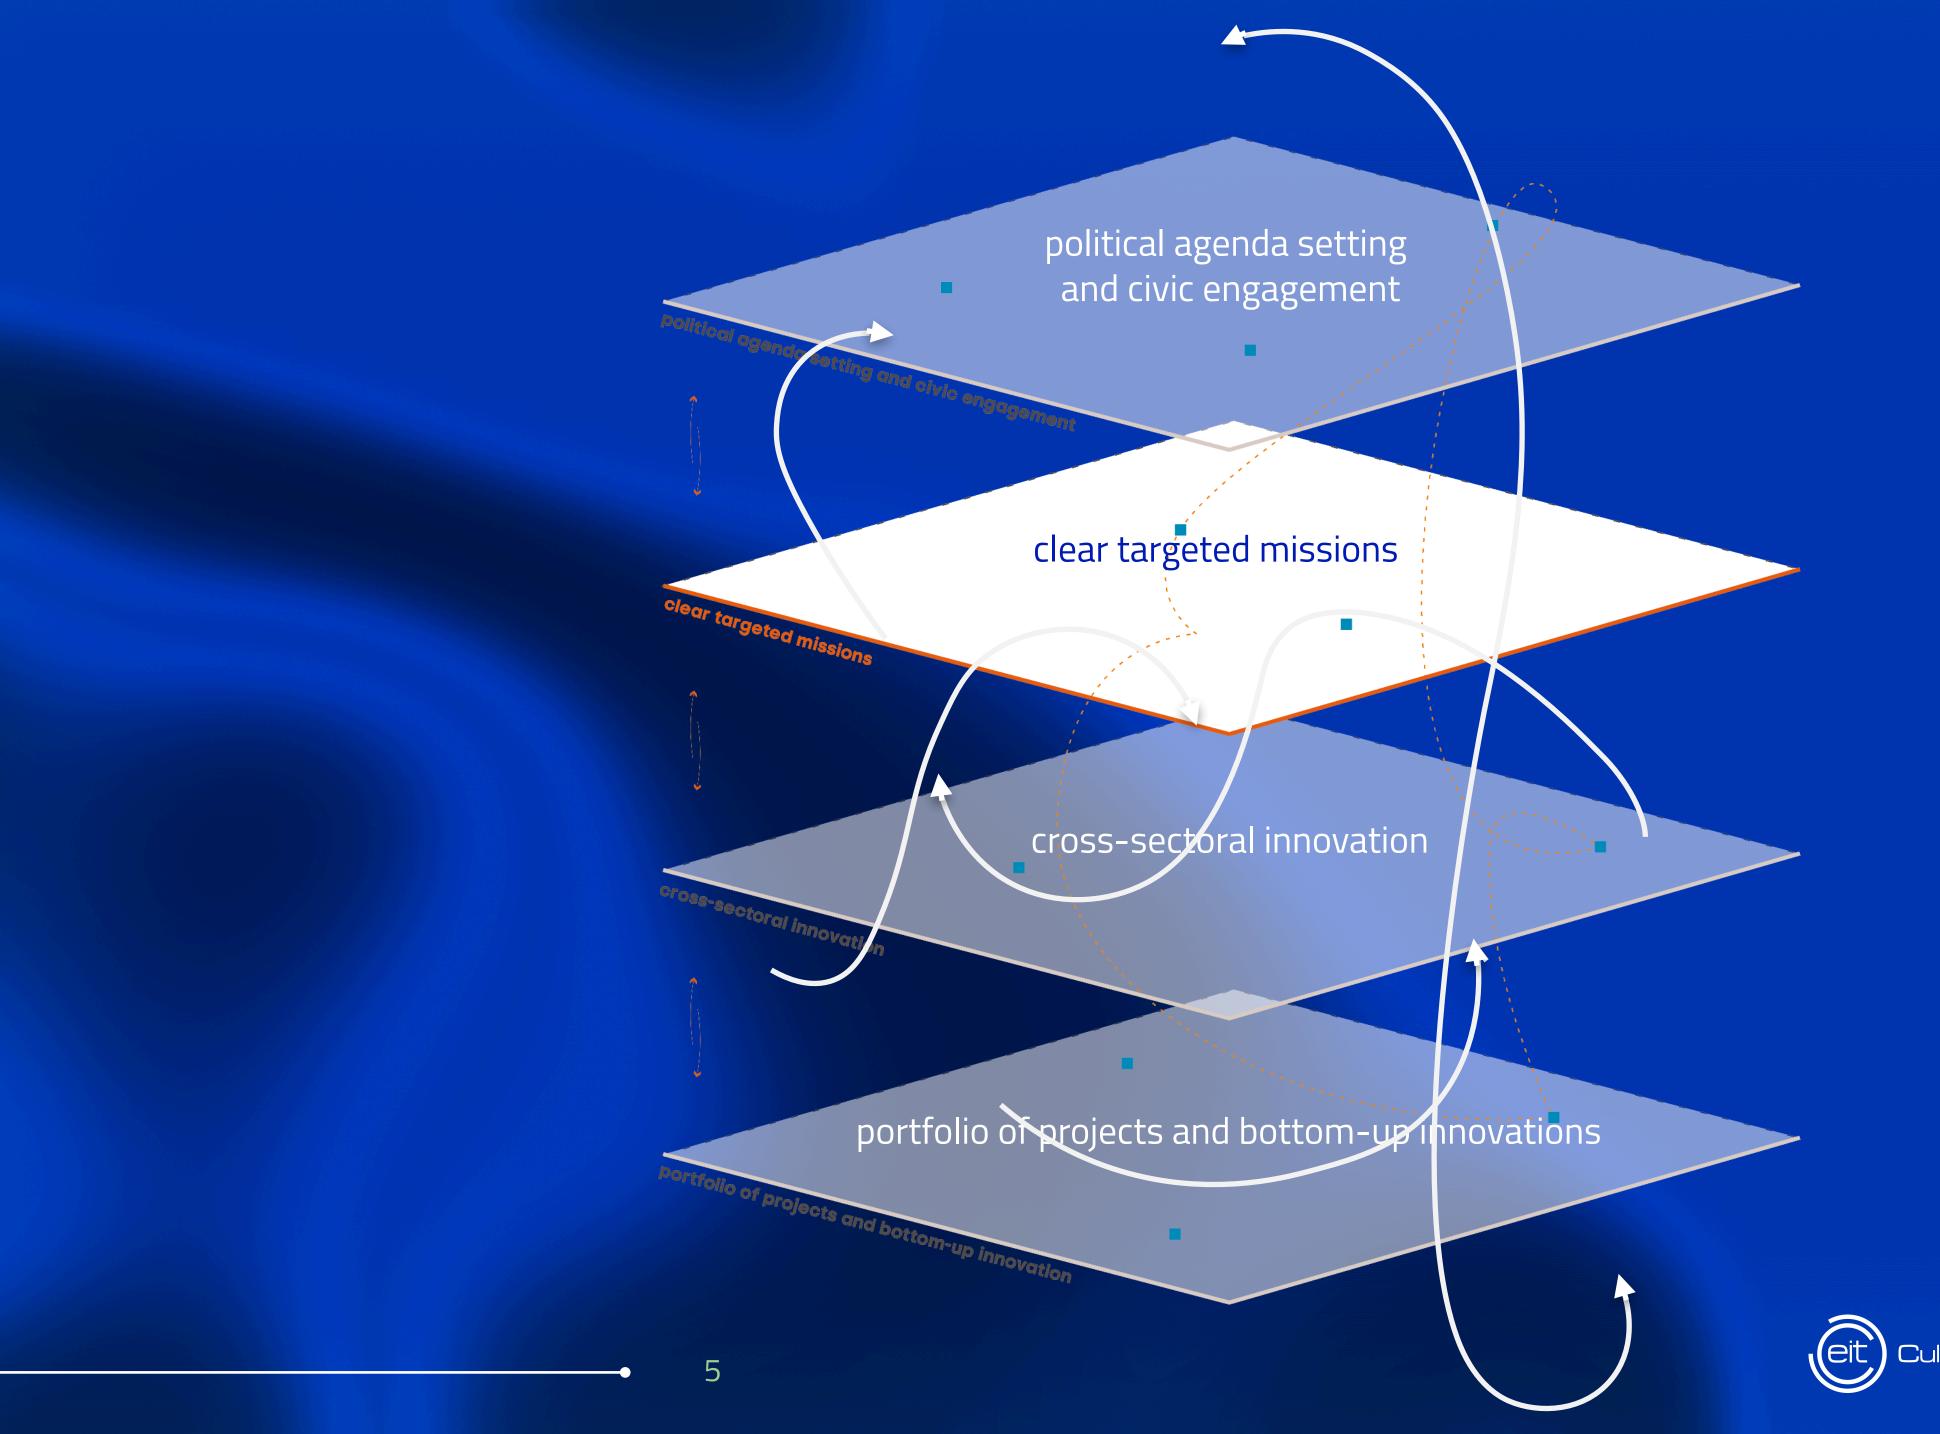

I've heard it in the chillest land, And on the strangest sea; Yet, never, in extremity, It asked a crumb of me.

τὸ καλόν

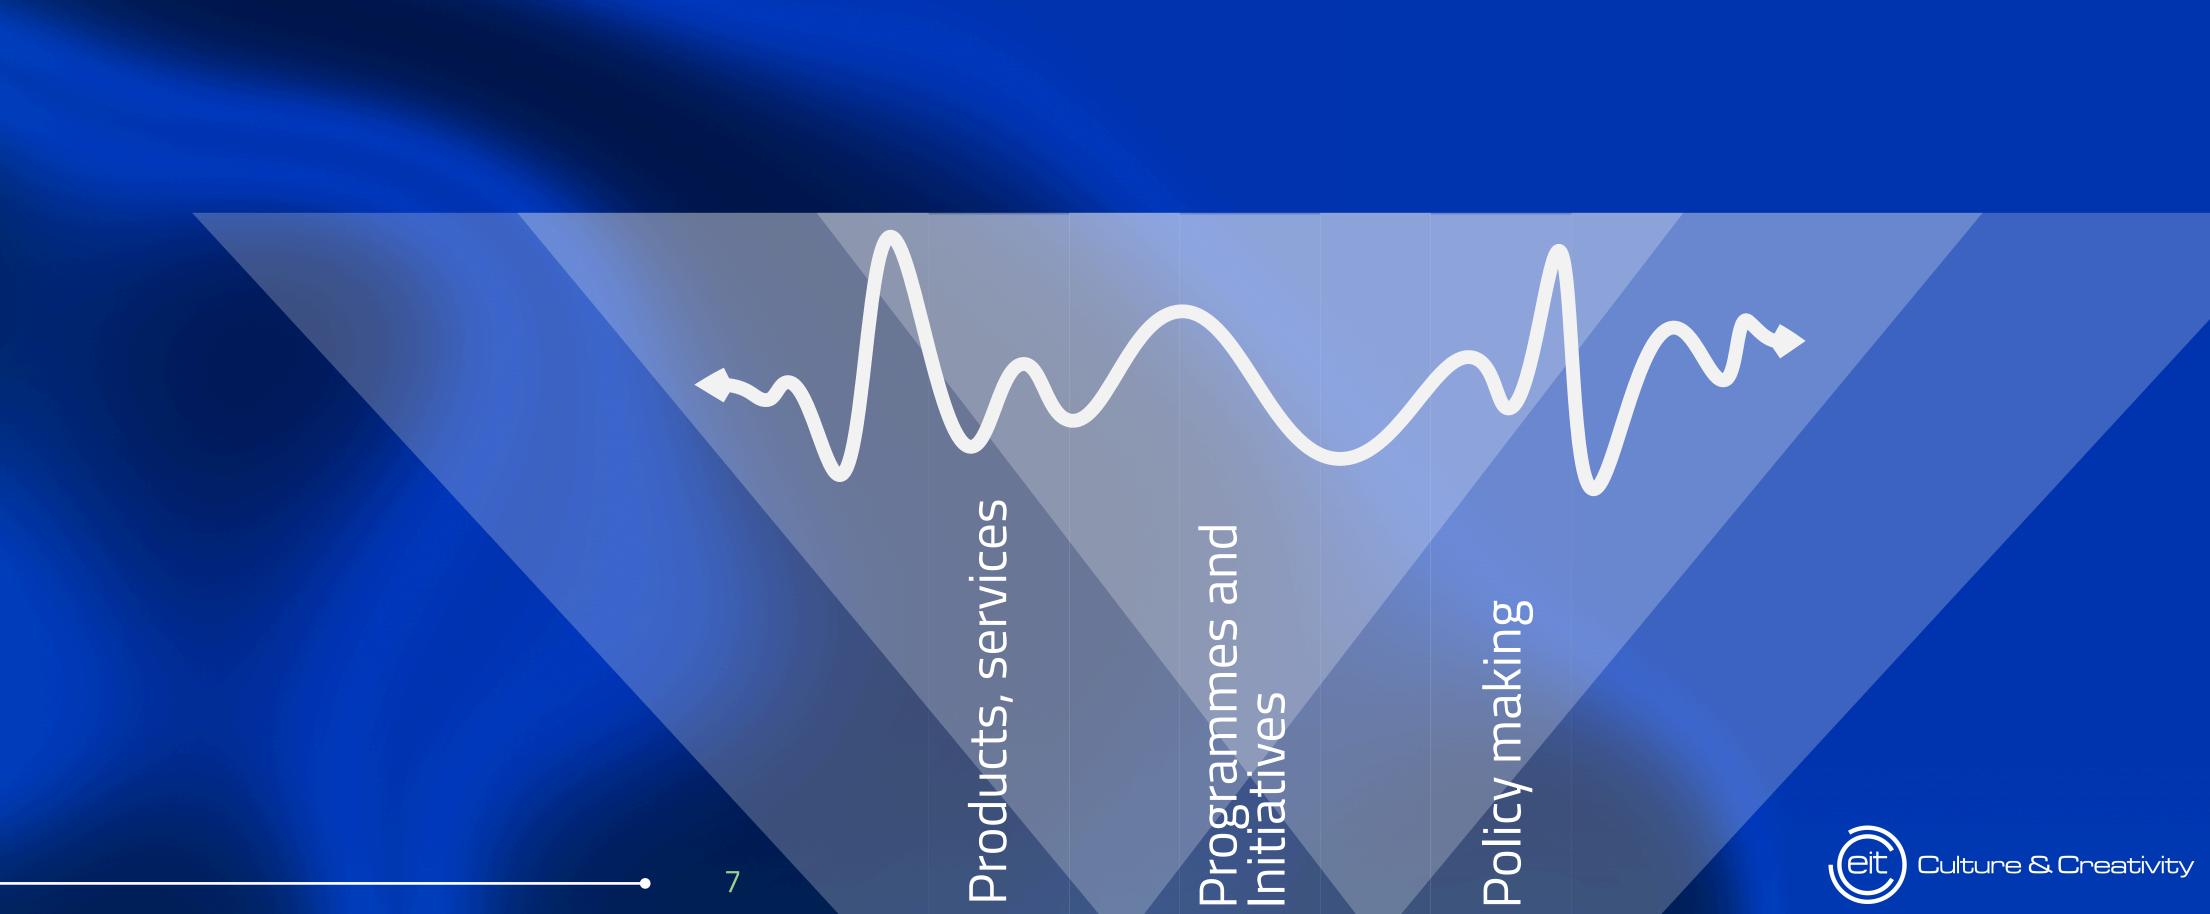

Products, services

Programmes and Initiatives

Policy making

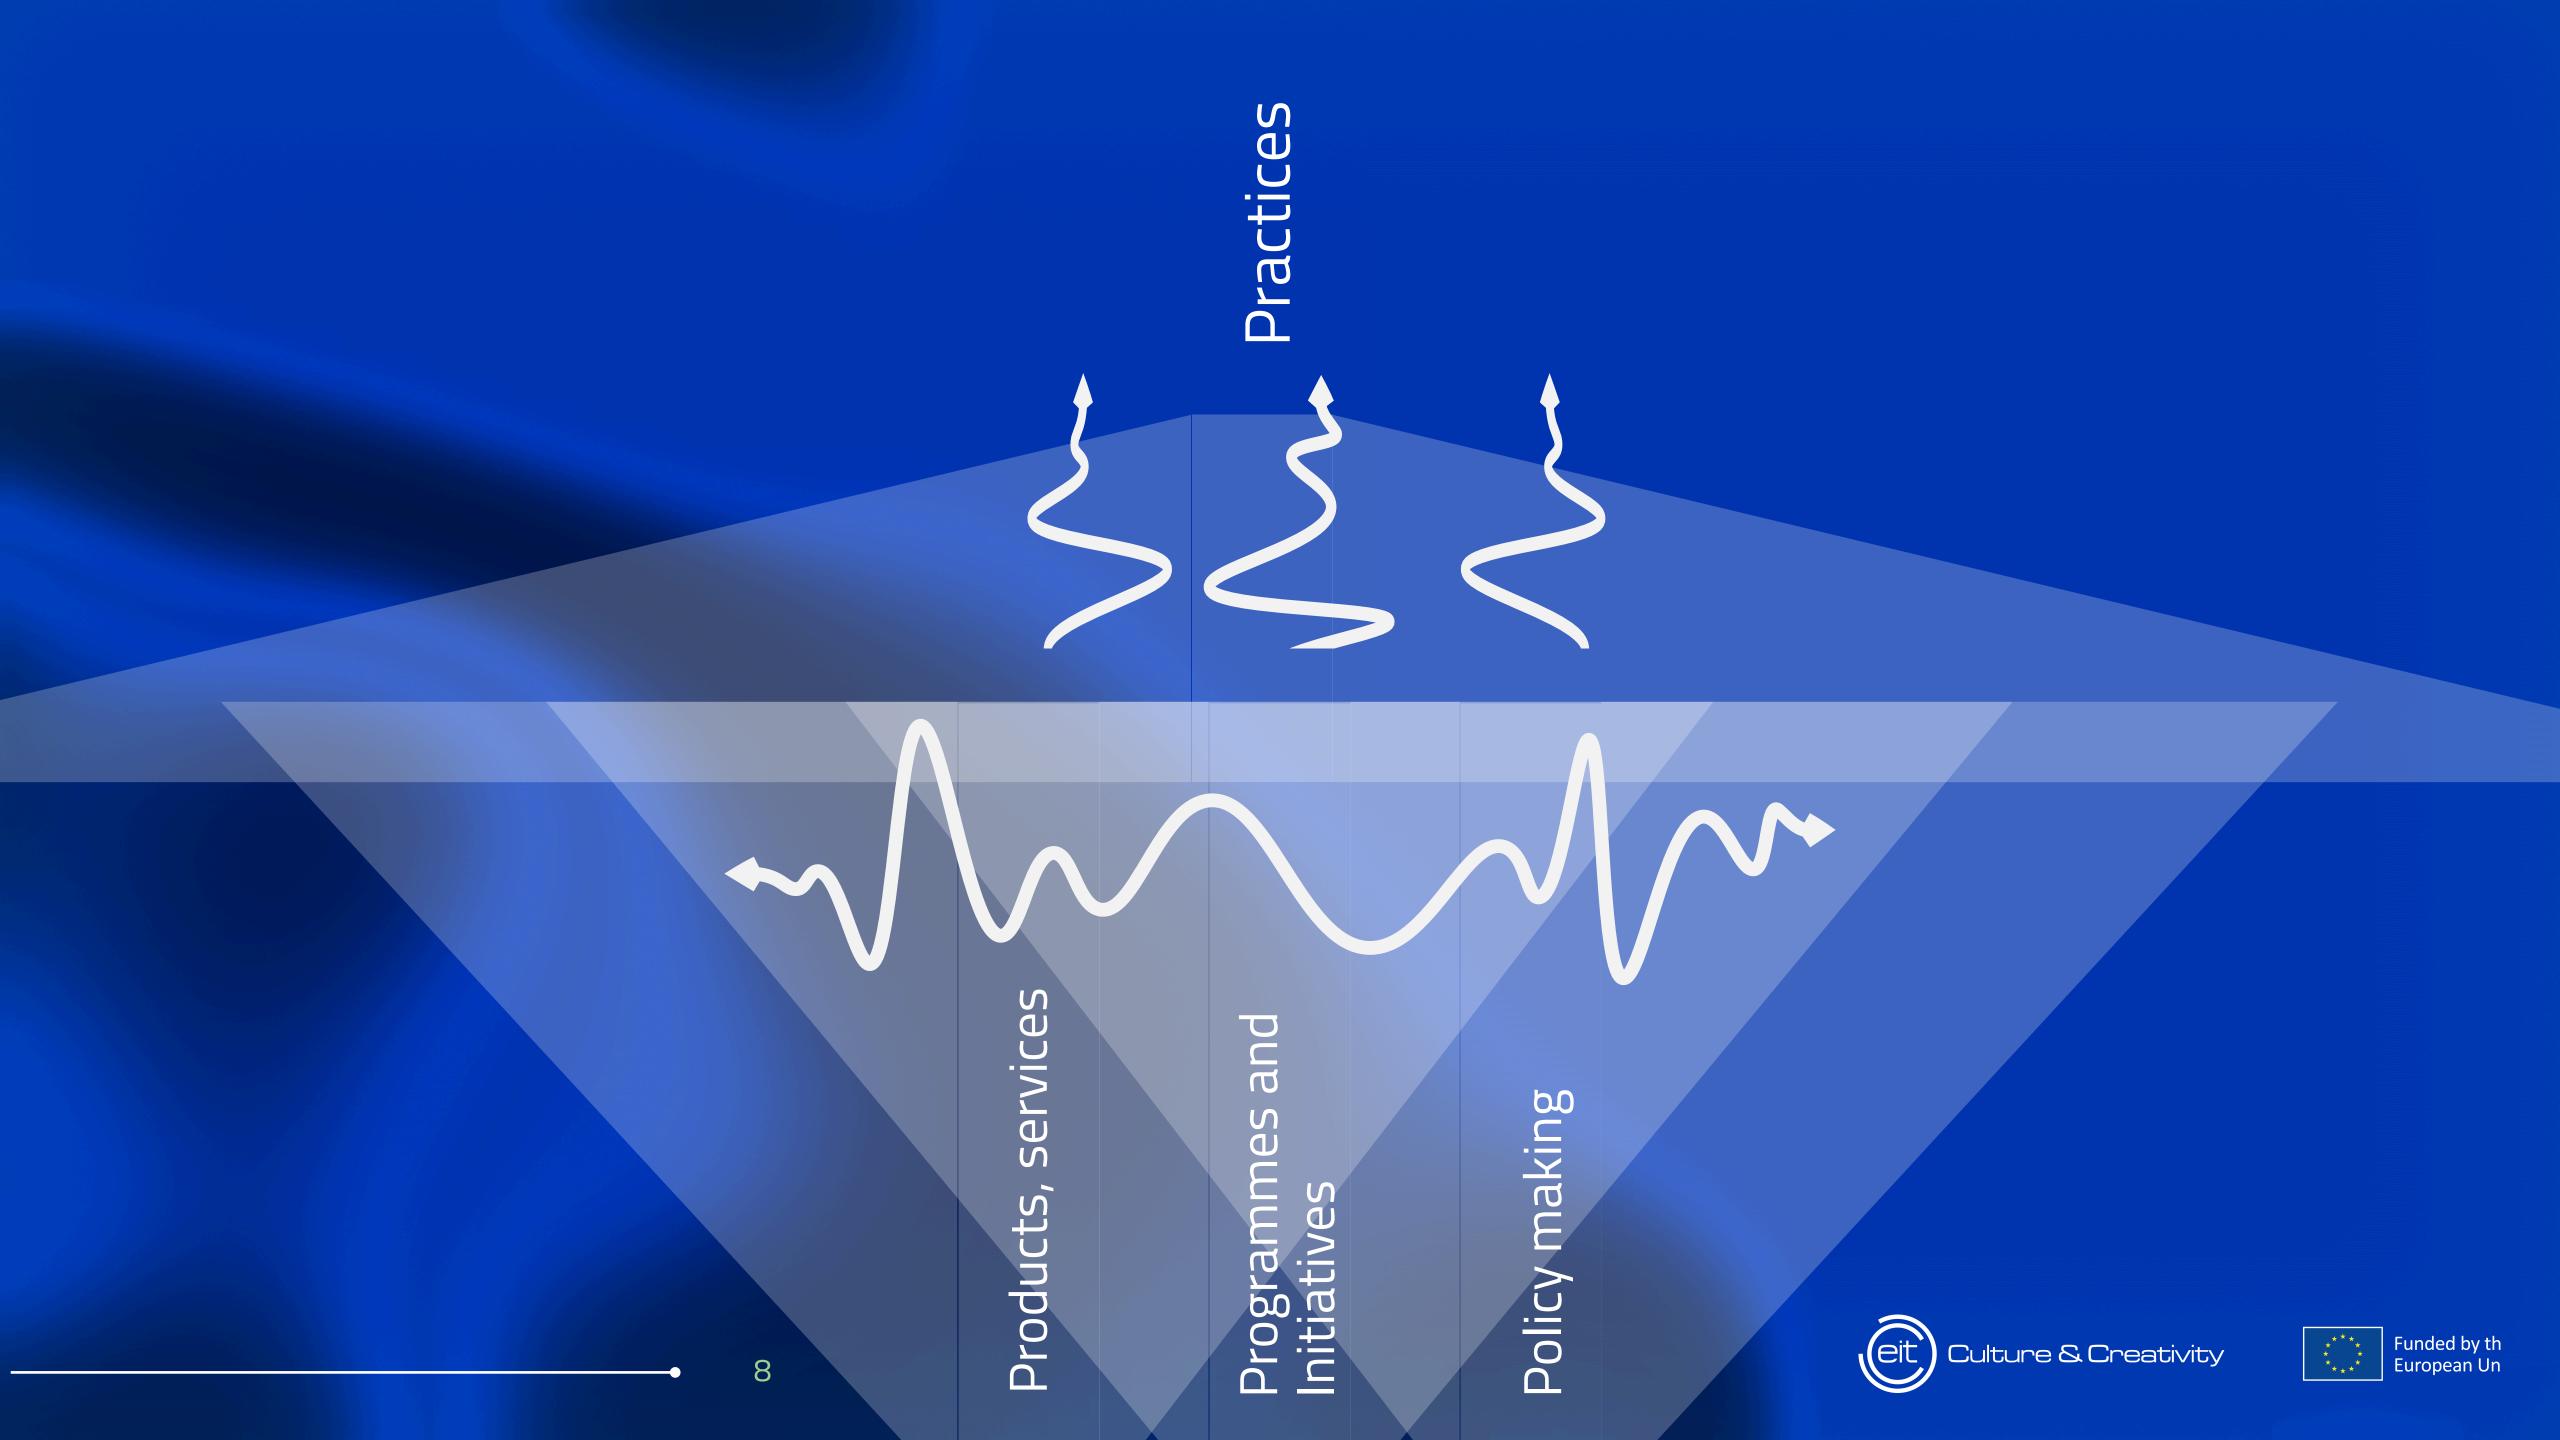

Risk management
Linear processes
Individual value
Incremental
Problem-driven

Portfolio of products

Portfolio of businesses

Portfolio of competences

Portfolio of relationships

Complexity
Ambiguity
Trust
Openness
Collective value
Iterative
Transformative

single company/institution acting AUTONOMOUSLY

many companies / institutions interlinked in (digital)ecosystems

Cross-innovation

many creatives - many companies business focus

Innovation

One new product - one company

Cross-innovation

One creative - one company

Societal Transformation

Many creatives - all societal stakeholders mediation through creative, artistic and design processes

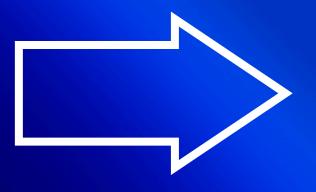

Design can

Make things Make things possible

Control
Risk management
Linear processes
Individual value
Incremental
Problem-driven

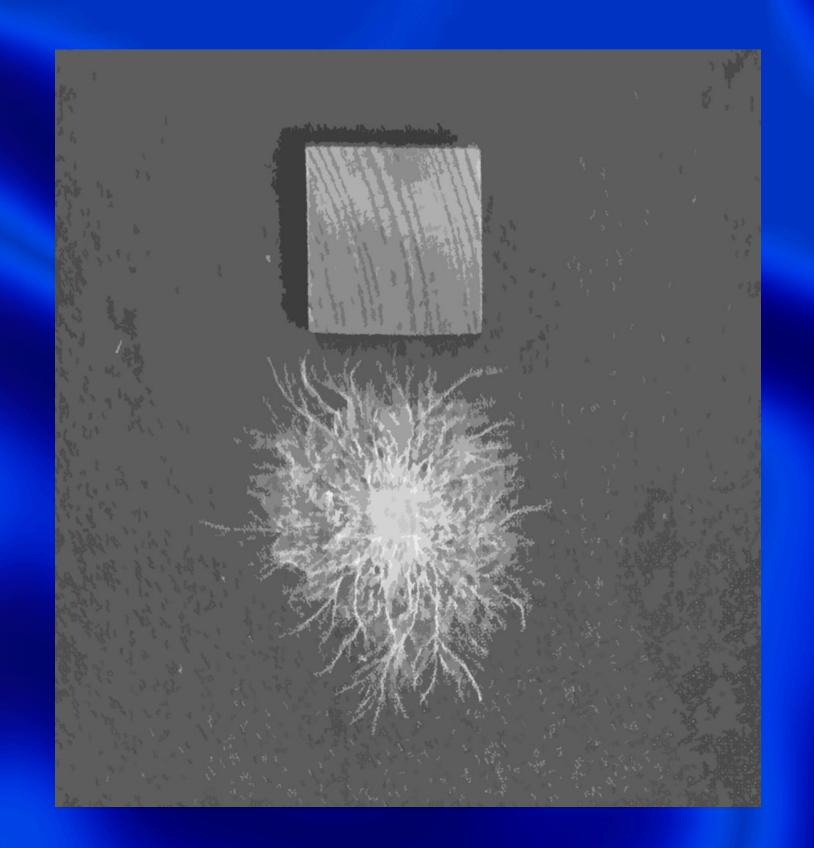

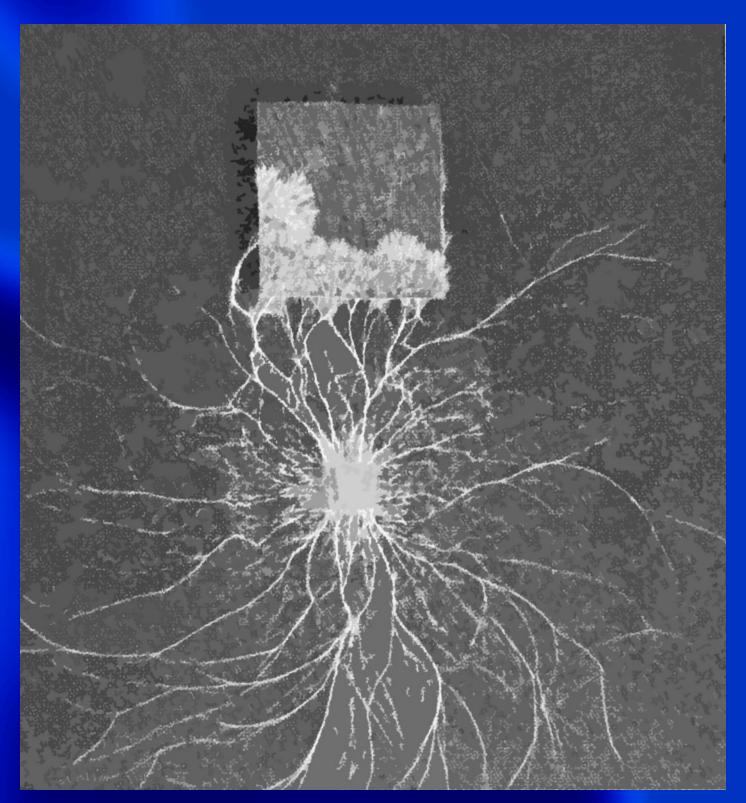

Complexity
Ambiguity
Trust
Openness
Collective value
Iterative
Transformative

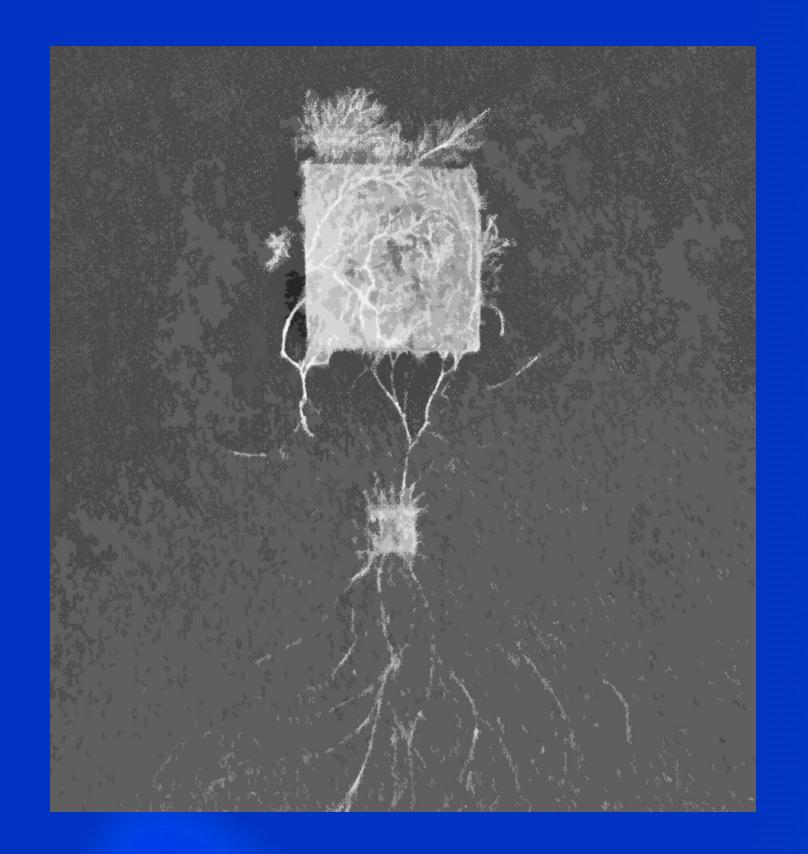

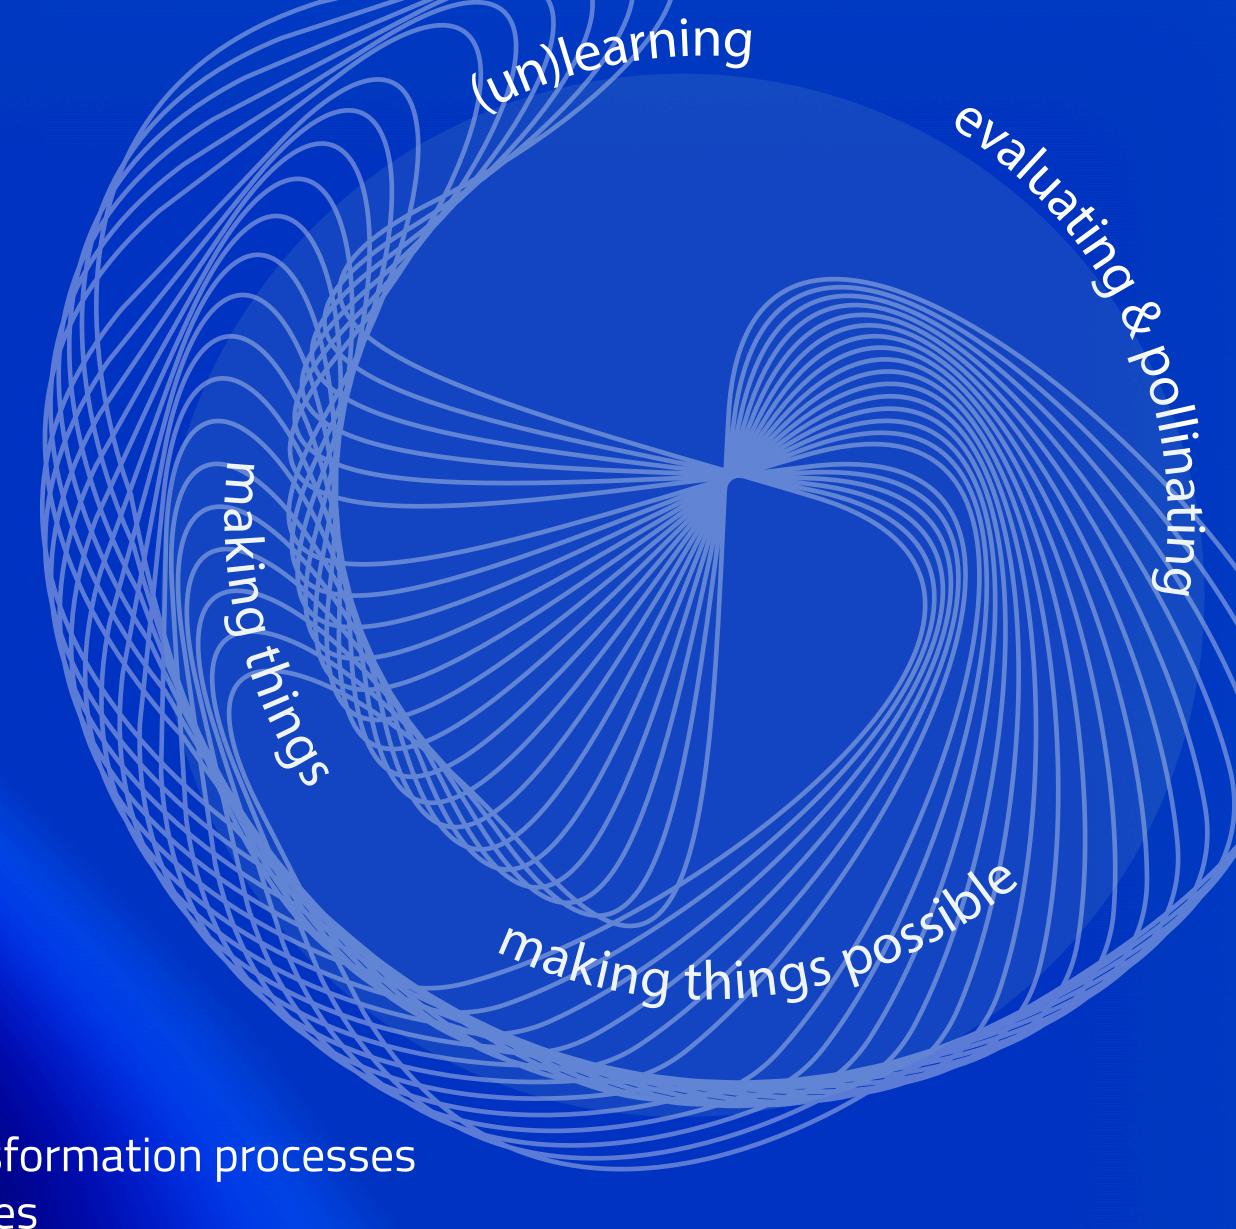

EU Design Agenda

TAKE-AWAYS

- Literacy in working with values as a compass
- Experimental spaces
- Shared learning platforms
- Mechanisms and tools for long-term transdisciplinary transformation processes
- _ Creating understanding of the potential of design approaches

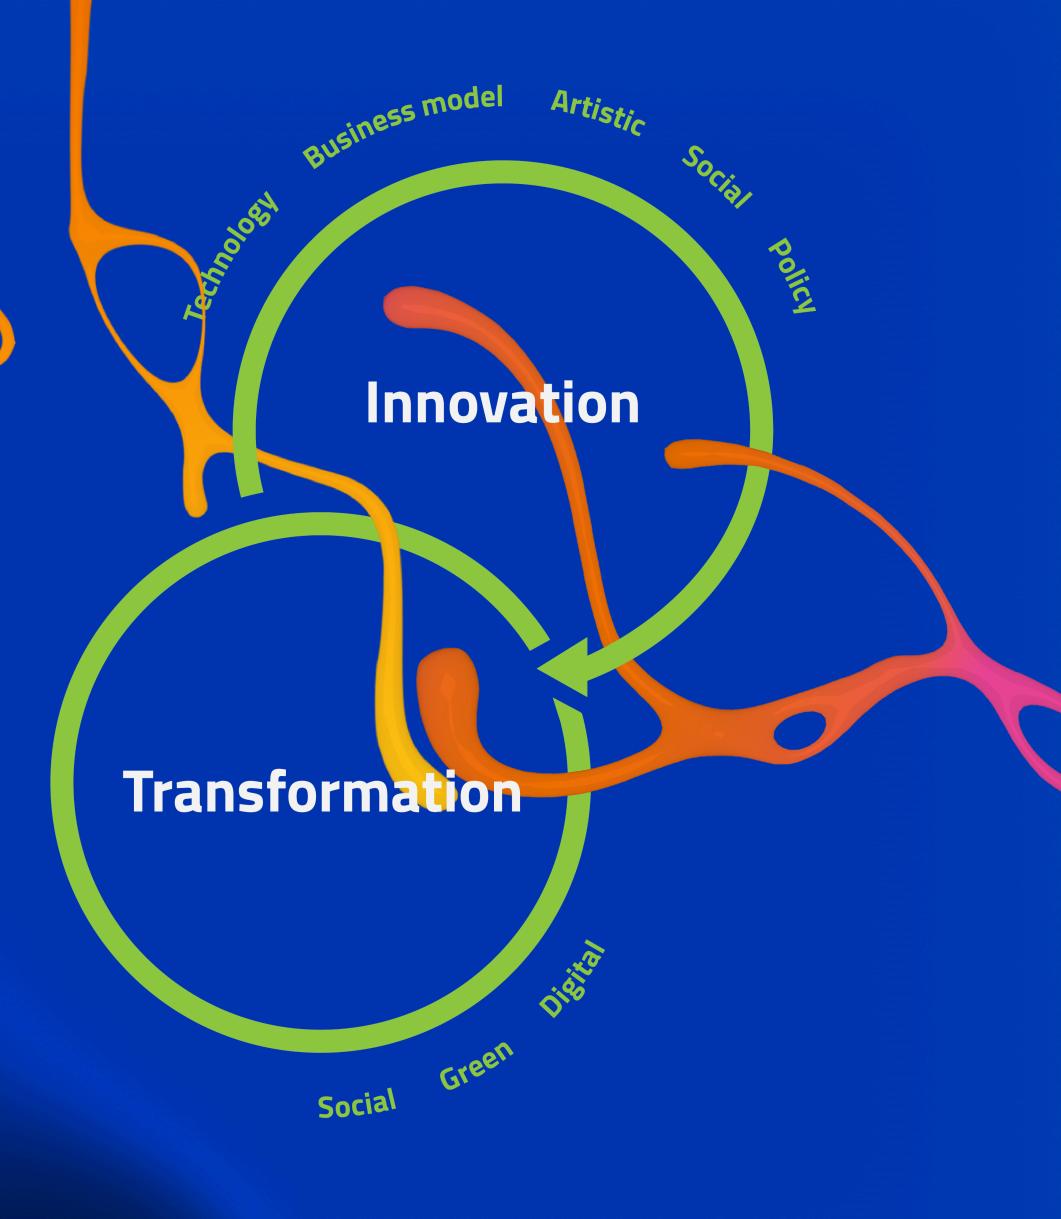

EIT Culture & Creativity - In the making -

Powered by learners & educators, artists & researchers, entrepreneurs & investors, corporates & public service organisations, policymakers & associations.

An EIT Innovation Community for the Cultural and Creative Sectors and Industries.

Proposal for a Strategic Industry Cooperation

Aim: Strengthen the European Ecosystem for Creative Industries as a whole

EDUCATE STUDENTS

SUPPORT BREAKTHROUGH INNNOVATION

SOCIETAL TRANSFORMATION

TRAIN **PROFESSIONALS**

SUPPORT COMPANIES MAKING & SCALING INNNOVATION

TRAIN EXECUTIVE **LEADERS**

CO-INVEST

EIT yearly Budget. ~6 MEUR

EIT yearly Budget. ~15 MEUR

~2 MEUR

Next Step Exact Programmes and Co-investments of EIT Culture & Creativity and Industry Partners (IP) to be negotiated

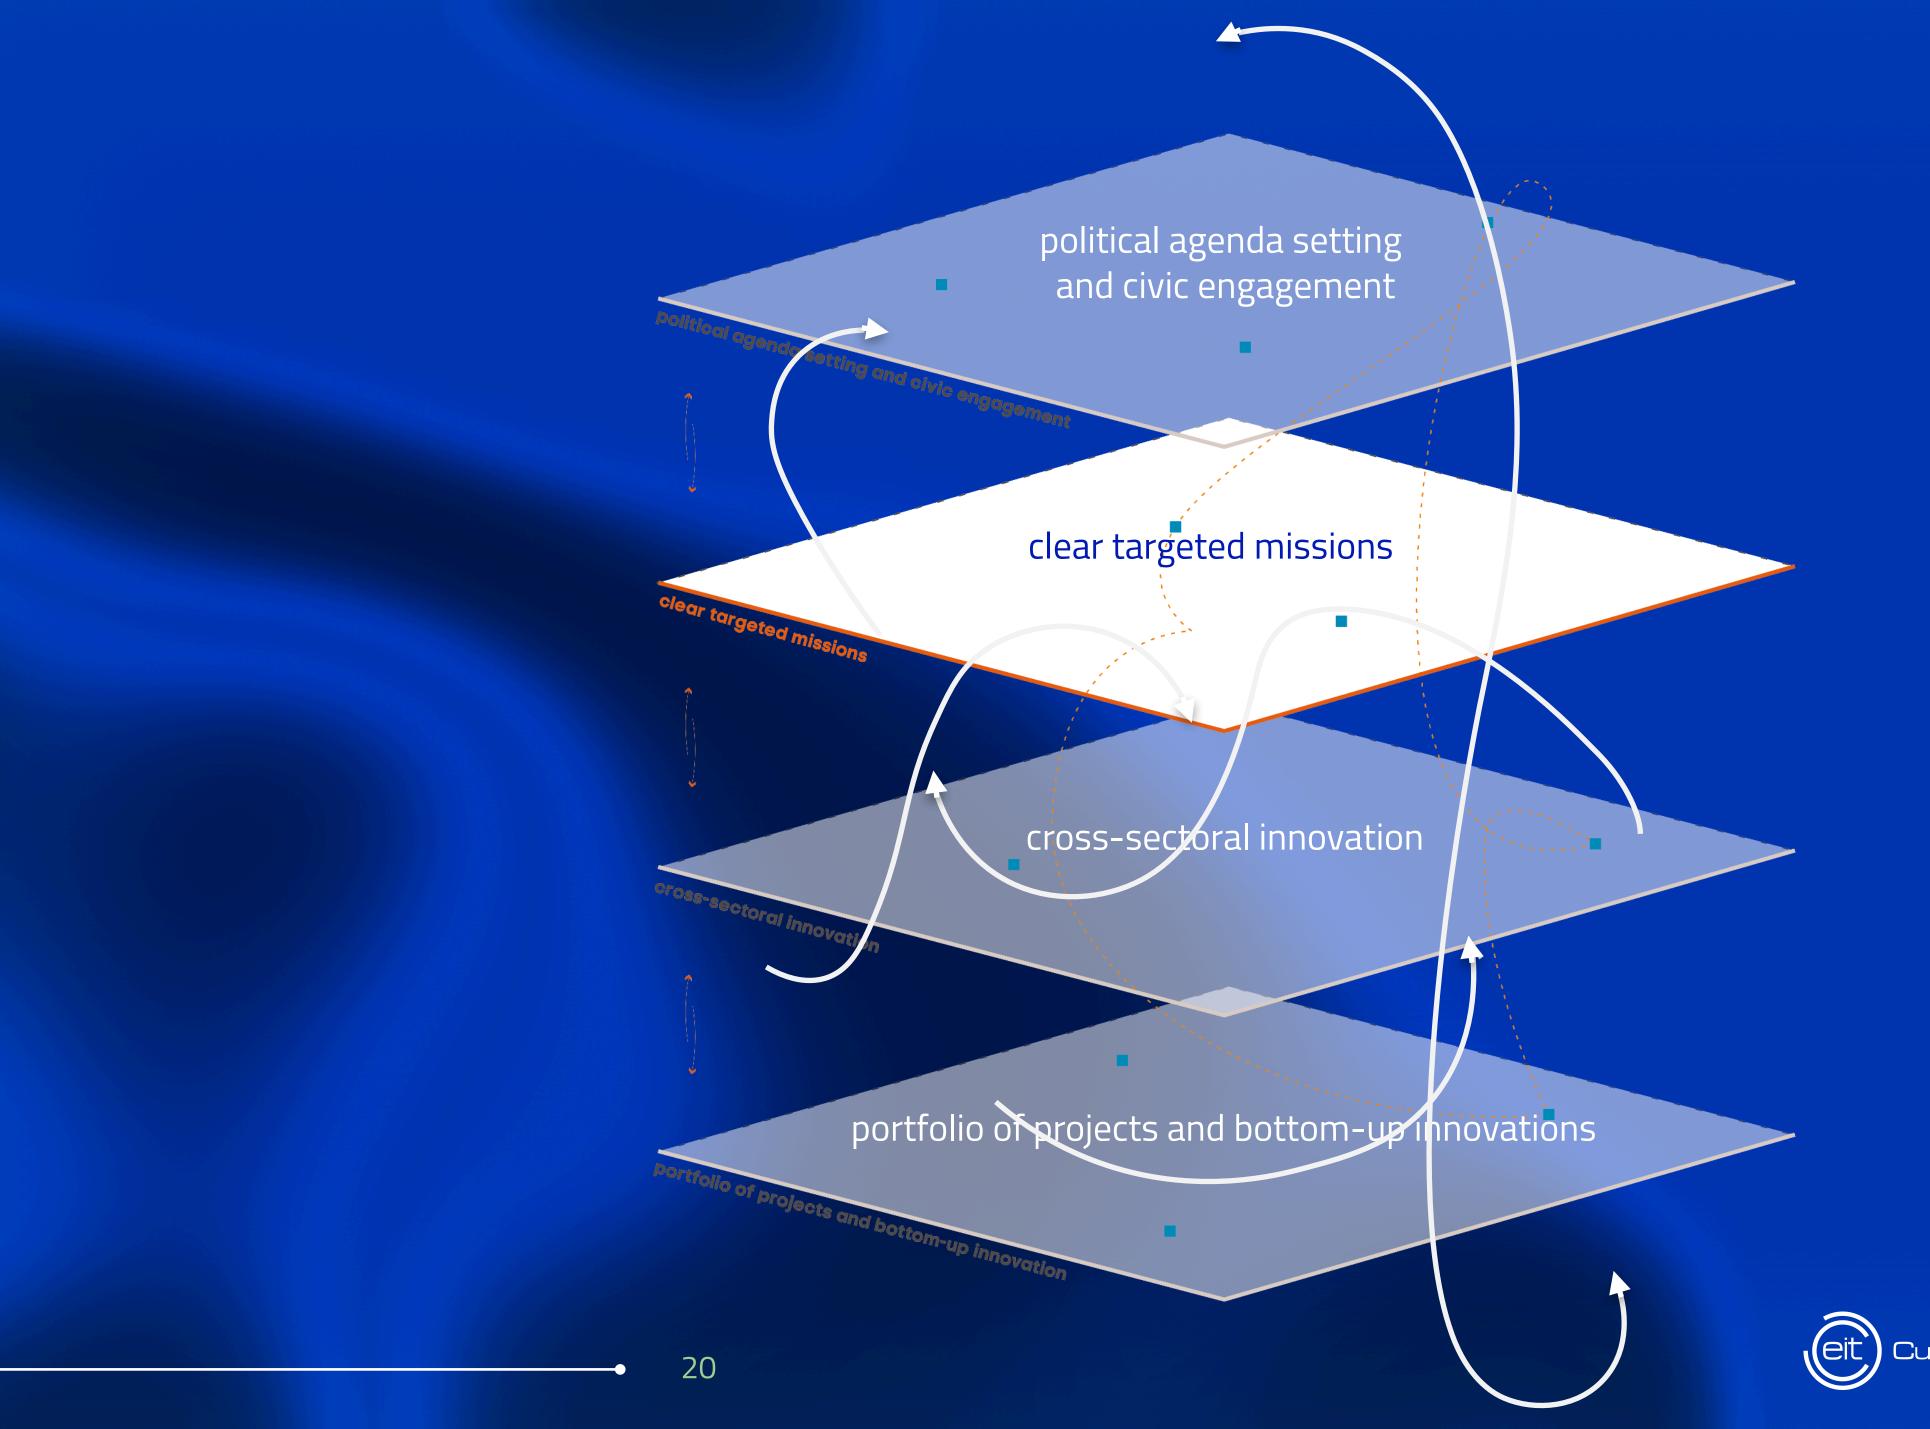

Societal Transformation Initiatives (eit) Culture & Creativity

Societal Transformation Initiatives

ELEMENTS

_ 3 initiatives, 3 years each
_ Situated societal challenges / mission
_ multi-actor
_ including a multiplicity of CCSI actors
_ co-financed by local/regional/national institutions
_ plugging into existing local initiatives
_ use creative and design approaches to design, model and carry out the process
_ creating a learning journey of the initiative

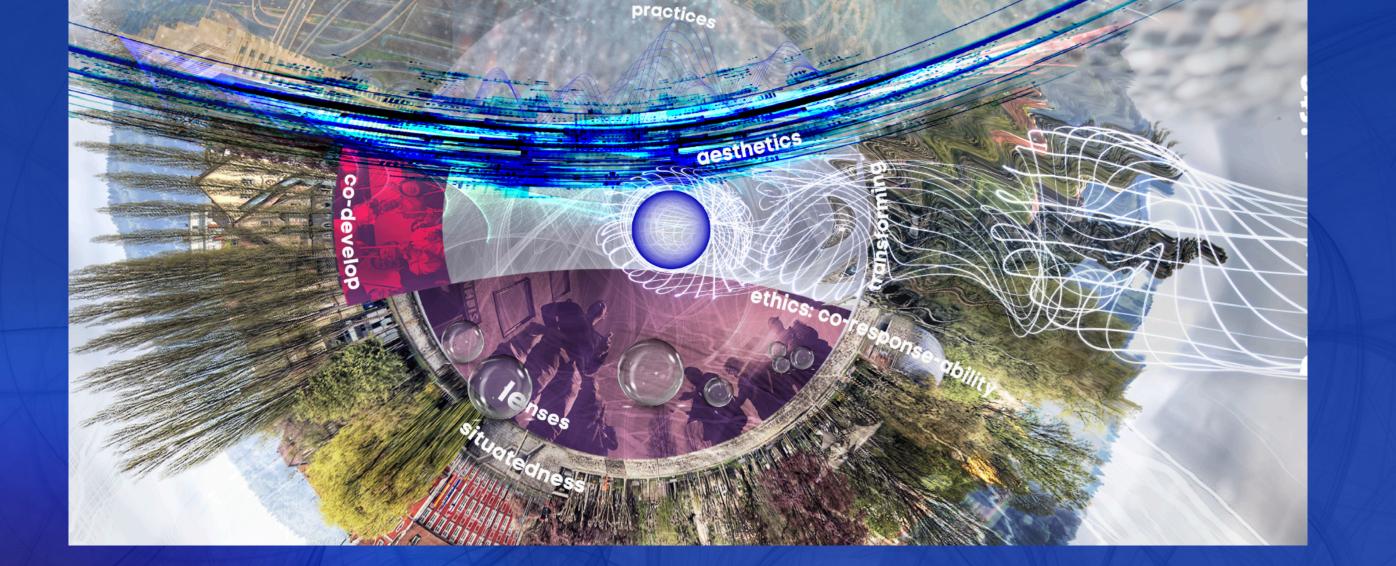

_Focus on the Process
_Collaboration / codevelopment / co-creation
_Supported by design methodologies
_Iterative / prototyping / catering for emergence
_ aring / forgiving / trusting

Societal Transformation Initiatives

REQUIREMENTS FROM THE PARTICIPANTS

_interest and experience in processes of societal transformation, driven by culture and creativity
 _connecting it to existing initiatives and multiply their value
 _possibility of connecting it to local societal challenges and multiply the ways
 _connected to an existing or emerging explorative/experimental spaces (open to CCSI)
 _possibility of formalising / sharing learnings

Societal Transformation Initiatives

EXPECTATIONS AFTER 3 YEARS

an exemplar of how an ecosystem is boosted into creating and developing new products, services, new educational products that teach transformative competences, new business models, new policies that contribute to social cohesion and societal and environmental resilience

from anthropocentrism > **◀** more-than-human thriving growth transformation progress control care O + 🔲 = ? relationality reductionism □ □ □ □ □ respect for plurality standardisation resilience efficiency
