### Competition Theme and Procedures

#### Purpose

Encourage international creative design exchange, develop creative design talents, express the international image of Taiwan attaching great importance to creative design, and establish the international design status of Taiwan.

#### Theme

#### Diversity

#### Features

- Total prize money is up to NT\$ 4 million (approx. US\$ 130,000)
- One of the largest student design competitions in the world
- Special prizes endorsed by international design associations
- No registration or exhibition fees required.

#### Qualification

Students currently enrolled in senior high school or higher (based on the deadline for online registration). Entrants must be born after May 12, 1995, and must be under 30 years of age. Female entrants who have given birth before the age of 30 are eligible for a 2-year age extension for each child born.

\*Fresh graduates (graduating in 2025) and new students (enrolling in 2025) are also eligible.

#### Call for Entries

Diversity is a key value in modern society, encouraging students to respect individual differences and engage with others with inclusivity and warmth. As part of its Sustainable Development Goals (SDGs) for 2030, the United Nations underscores the crucial role of diversity in advancing global development. Through the power of design, students can incorporate multicultural perspectives, stimulate innovation, and facilitate cross-boundary collaboration and inclusion, thereby fostering new opportunities for societal progress. Diversity is not merely a concept, but a practice—respecting each individual's uniqueness, reflecting the richness of the world, and cultivating an inclusive society built on mutual support.

- (5) Honorable Mention (several winners for each category): NT\$10,000 (approx. US\$300) and a certificate
- (6) Special Awards from the Sponsors (several winners):

- **International Design Association Special Prize** (At least 15 winners are set to be chosen.)  
NT\$30,000 (approx. US\$1,000) and a certificate

The jury committee delegated by international design associations will select works that meet the evaluation criteria of each international design association among the shortlisted entries in the Product Design, Visual Design, Digital Animation, Architecture & Landscape Design, and Fashion Design categories to win this prize.

- **Brand Specified Special Prize:** (Sponsored by TPCA Environment Foundation)  
**Environmental Sustainability Award (3 winners)**  
NT\$100,000 (approx. US\$3,000) and a certificate

\*The jury committee will select works with "significance for environmental sustainability" from the finalists in

the Product Design, Digital Animation, and Architecture & Landscape Design categories to win this prize.

\*The prize money of Environmental Sustainability Award includes NT\$30,000, allocated as a travel subsidy for attending the award ceremony. In the event that a recipient is unable to attend the ceremony to accept the award, NT\$30,000 will be deducted from the total prize amount. However, should the absence be due to political reasons or force majeure, the matter will be addressed on a case-by-case basis.

#### Special Region Award (6 winners)

NT\$30,000 (approx. US\$1,000) and a certificate

\*The jury committee will review the nominated works in the categories of Product Design, Digital Animation, and Architecture & Landscape Design, prioritizing entries from Thailand (priority), Laos, Cambodia, Vietnam, Myanmar, and Malaysia, and will select the work that best represents circular economy development as the award winner. This rule is subject to change based on the entries received each year.

※ The prizes may be adjusted according to the quality and quantity of participating entries. A work that has won an award in a related competition organized by the Ministry of Education or in a listed competition under the Ministry of Education's 'Encouraging Students to Participate in International Art and Design Competitions' in the same year will have its prize amount determined by the final selection judging panel, and will not be subject to the prize amount limits specified earlier.

※ The certificates will be awarded in the name of the Minister of Education, and the award ceremony will be held at the end of this year. All winners will be announced on the official website and in domestic and international media to facilitate inquiries from companies regarding design collaboration opportunities.

### **Terms & Conditions**

#### **For the entries**

1. Entrants can participate in the competition as individuals or in teams. Multiple submissions of different works are acceptable.
2. Multiple submissions of the same work in two or more categories are not allowed.
3. The entries must be original and created by the entrants themselves.
4. All the concepts, text, icons, sheets, pictures, videos, audios, music, animation contents and program of the work shall not be involved in any plagiarism or infringement of copyrights or other laws.
5. Entries that have previously received an honorable mention or higher award in TISDC are ineligible for re-submission.

#### **For the entrants**

1. All entrants shall accept the regulations of TISDC. Participating qualifications or prizes will be cancelled if the violation is proved and the organizer shall have the rights to take actions.
2. The entrants shall respect the evaluation and decisions made by the jury committee.
3. When registering for the competition, if the same work has been published, has won awards in other competitions, or is currently under evaluation, it must be indicated in the Declaration and Copyright Authorization Agreement. The Ministry of Education and our team must be notified, as this information will serve as a reference for the government in awarding the prize money
4. Entrants must not engage in requesting, lobbying, bribery, threats, or any other actions that interfere with the jury members or the evaluation process.

5. Entrants shall agree to provide the detailed information of the entries for future media coverage and exhibitions.

#### **For the winners**

1. The winners shall agree to provide the detailed information of the works for future media coverage and exhibitions.
2. Within 3 years of the award announcement, the winners and their winning works must agree to allow the Ministry of Education to use them in related exhibitions and promotional activities organized by the Ministry. The original files and data of the works should be retained and made available for reference by the Ministry of Education..
3. All monetary prizes will be taxed according to the regulations of Taiwan government. (The winners from abroad will be taxed at the rate of 20%, normally.)
4. The winning works shall agree to grant the Ministry of Education and Organizing Committee of this competition a non-exclusive, royalty-free license to use the images, descriptions, and related materials of the selected works. These materials may be made into audiovisual works (videos) and digital files for public screening, broadcasting, and online viewing for educational, research, and public service purposes. If necessary for educational research, the Ministry of Education may reproduce the work. This authorization shall not affect the copyright of the original work or derivative works held by the designer, who retains the right to grant exclusive licenses for other uses.
5. The commercialization and marketing activities of the awarded works shall not contravene the spirit of the competition.
6. With regard to the winning entry of Brand Specified Special Prize (Environmental Sustainability Award and the Special Region Award), the copyright shall remain to the designer(s). The sponsors will reserve the rights to publicly exhibit, broadcast, use, reproduce, and edit (such as text editing, image cropping, background adjustment, etc.) the winning works i for production, manufacturing, publication, or other related activities. The transfer of copyright for commercial purposes, however, must still receive prior approval from the designer.

#### **Disqualified Entrants:**

In any of the following condition, the organizer shall have the rights to disqualify the awarded winners and revoke the prizes and certificates:

1. In the event that the entrant does not meet the participation qualification.
2. In the event that the awarded work is involved in plagiarism or infringement of copyrights or other laws.
3. In the event that the awarded work is proven to be unoriginal design, or to have fraudulently copied ideas from other's works.
4. In the event that the commercialization and marketing activities of the awarded work contravene the spirit of this competition.
5. In the event that if a winner engages in requesting, lobbying, bribery, threats, or any other interference with the judges or the judging process, and the judging panel deems the situation to be serious after review.

**※ The organizing authority reserves the right to make adjustments to the event. Any matters not explicitly addressed in this event will be governed by the regulations issued by the Ministry of Education and the information published on the official website. In the event of any disputes, the matter shall be reviewed by the panel and submitted to the Ministry of Education for a final resolution.**
