# BEDA Criteria to Participate in Calls

It's great that you flag your interest to work with BEDA – The Bureau of European Design Associations. Please take into consideration that we prefer to be integrated early (approx. 6 months prior to submission).
To ensure you are aware of the selection criteria that BEDA uses for participation, we provide this informative table.

| Criterium | Why |
|---|---|
| **Positive** | |
| Scope and Topics are in the **vital interest of BEDA advocacy goals** | See the Position Paper. |
| **A BEDA member is lead or partner** | We foster our member base. |
| Integration of existing **BEDA knowledge and know-how** | We are particularly interested in projects where BEDA adds substantial knowledge through the BEDA Expert Group (G42), Board Members and Member Organisations. |
| Building sustainable and long-lasting relationships on a Pan-European level. | We are interested in extending our reach by liaising with international partners, e.g. for Cultural Diplomacy approaches. |
| **Neutral** | |
| **Requests for Communication** support or responsible action | Calls which ask for BEDA as a dissemination or communication partner or lead. |
| Request for **Members Network Deployment** | Calls which ask for BEDA as Multipliers. |
| **Negative** | |
| Member infringement | To avoid competing with its members, BEDA will only act on calls where no member has indicated their intention to contribute. |
| **Financial (e.g. 20%) obligation** If the call adds substantially to BEDA Goals listed in the Position Paper, it is considered. | BEDA is an NPO based on membership fees. |
